WILSON MEMORIAL HIGH SCHOOL

Athletic Booster Club

189 Hornet Road, Fishersville, Virginia 22939

Wednesday April 29th at 6:00 pm WMHS

I. Welcome and Attendance 602pm
II. Approval of Previous Meeting Minutes AA, MC
III. Financial Update – 127,509.67 (cash balance)
IV. Booster Spark – KD, PH, we can have it free until July and then it will go live July 1st. PH's help has been requested, and she has confirmed that she can help.
V. Old business
    a. Office nominations – KD and JM for President, KD for VP, GD for secretary, MC for treasurer – votes will take place during May in meeting
    b. Goal Fund procedures – getting feedback from the teams on some "wishlist" items, something that would benefit the team(s) – submitted to the admin team to report back on if they are the appropriate funding source or the county, wmhs, or booster. CF thinks the better option would be to let Crystal and Hartman be the "colander" of ideas instead of putting something else on the coach's plate. CF thinks that the rec gym would be the best option for the goal fund because so many athletes/parents/members of the community could benefit. AA is going to write a statement, so that we do have something a little more concrete for years moving forward. (DRAFT sent May1st, located on the Google Drive)
    c. Spirit Wear – some sport specific items are still available but selling well.
VI. Craig Time – notified the boosters team of his departure come June 30th. Gave updates on spring sports.
VII. Matters for the Floor
    a. Senior Banners – Jen has ordered them and they will be Thursday.
    b. Coach Cullen scholarship – Award ceremony is this Friday at 9am – over 18 applicants.
    c. Uniform budget – Jen explained the process of the new uniform rotation. AA, KD all approved
    d. Concession Coverage post-season dates – baseball, soccer, and softball – JM will create a document and send to Craig to verify
        i. May 26th
        ii. May 27th
VIII. Concessions Update – get another clean from Titan – 750$, GD, MC all approved. Concerns on the credit card machine – need to research hot spots – potentially through Verizon, because they have better service. SD will be out of the country during districts, and she will partner with MC to make sure orders have been made and inventory taken. Drain in football has been taken care of, but the floor has a temporary fix – rubber mat.
