I. Welcome and Attendance 602 JM
II. Approval of Previous Meeting Minutes MC, MS, all approved
III. Financial Update – Cash balance at end of the period - $42,659.73 two sponsorships since last meeting, and 1 additional today
IV. Old business
    a. Become a Booster/Membership (tabled from last meeting) an individual donated 100$ before last meeting but won't respond to Jen to collect her "swag". GD recommends that we should keep it (Booster Membership option on BoosterSpark), because it is completely voluntarily. GD, MC, all approved
    b. Sponsors
        i. Partial-Year Sponsorships (tabled from last meeting) Discussion on how we as a group move forward because the current "calendar" on BoosterSpark isn't setup for a rolling sponsorship. To get everyone on the same schedule, do we want to offer partial sponsorship? The group decided that we would keep it on the regular schedule.
    c. Square Register (tabled from last meeting) – currently on Amazon prime for 726.23 for prime days, suggested that we purchase another Square Register, MS, MC, all approved. We are also missing a hot spot – MC is determining if we can track it. Team agreed to purchase another wi-fi hot box from T-Mobile JD, PH
V. Hartman Time – voting members have been added to home list by Coach Hartman. Concessions will go back to the way they were during last school year, where during Meet the Team, the parents will sign up with pen and paper for concession sign up. He also asked if there needs to be a deduction/penalty for teams who do not fill their concession slots. Take a monetary donation from the team that cannot fill concessions GD, MC, all approved. 500 will be the max amount and then proportionately lessened based on the team's budget. LL, KB, all approved. Do we impose the fee now, Boosters vote yes - GD, MC, all approved. Please refrain from the contacting the coaches directly – it needs to go to Coach Hartman first. Sponsors cannot approach Crewe about their name/business not being announced. MC will email Hartman to get a Master Key for VB concession stands.
VI. Matters for the Floor
    a. Senior Banquet – do we have one at the end of the year for all Senior athletes? (tabled for next meeting)
    b. Venmo – have tried to change the number but impossible. Option is to close the account and withdraw the money. Decided to do away with Venmo at the end of the season. KD, MC
VII. Concessions
    a. Concession Equipment
        i. Signage – LL will research options for signage and will need to be tabled until next meeting.
        ii. Fryer – has been in the stand since it was built during COVID. The issue is there isn't any place for the oil to go. We need to find an oil solution before we decide to replace the flyer.
